**10<sup>th</sup> & 11<sup>th</sup> June 2015**  
**Fleming's Deluxe Hotel Frankfurt Main-Riverside, Germany**

**Matthew Stone**  
Global Head Of Research  
**SCB Group**

Matthew Stone is Global Head of Research at SCB, the world's leading international biofuels, energy and agricultural commodity brokerage. Before joining SCB Matthew set up the CME and ICE-cleared biodiesel benchmarks which have underpinned international paper swap trade in the industry since 2009. He also worked as a biofuel and feedstock physical and swaps broker at London-based interdealer brokerage Marex Spectron.
